SELECTION OF WINNERS

The posters will be on display during the three days of the 5th Liquid Biopsy Symposium.

From all the work submitted in poster format, a panel comprised of 5 experts will select 4 CASES to be PRESENTED ORALLY during the symposium and the BEST POSTER and the BEST ORAL PRESENTATION, at the end of the meeting.

Each case selected for oral presentation will have 10 minutes, plus 5 minutes for questions (the authors of the selected works will be informed in advance).

The awards will be presented during the symposium closing ceremony: €500 for the best oral presentation and €300 for the best poster presentation.

The “Xuntaza de posters” will be held on 24 January after the last round table and during the celebration cocktail. This will allow the Symposium participants to view the posters and share ideas in a relaxed setting.

Authors will be notified of acceptance by email and will be assigned a number for their designated exhibit space.
